PCBA's NEW "Pay It Forward" Dues Waiver Program

It's a "Win-Win" situation for:

- (1) **Contributors**, who feel good knowing they're helping a peer in need,
- (2) **Recipients**, who benefit from the program and from their PCBA membership
- (3) **PCBA**, which receives additional member assistance and support

"Pay It Forward" with Your Peer Assistance Contribution!

Help an attorney in financial need experience the benefits of PCBA membership!

With your donation to PCBA's new ongoing fund, each year, PCBA will provide 20 openings for membership to attorneys who need financial assistance to join PCBA due to financial constraints, limitations or hardship. Your contribution will help cover their yearly PCBA membership dues. Contributors will be recognized and publicly thanked in PCBA's newsletter, *The Writ*. *Please note that PCBA is a 501(c)(6) organization. PCBA donations are not deductible as a charitable contribution; yet they may be deductible as a business expense. Please consult your tax advisor.*

"Pay It Forward" with Your Service to PCBA as a Qualifying Recipient!

You can afford the benefits of PCBA membership!

Each year, up to twenty (20) program recipient openings are available on a first-come, first serve basis to interested public or private attorneys in need of financial assistance due to financial constraints, limitations or hardship. In exchange for the waived membership dues (covered by other supportive, donating members), the qualified recipients must commit to helping or getting involved in PCBA activities in some service-oriented manner for a minimum of *at least TWELVE (12) HOURS* during the calendar year of the applied dues waiver. Some examples of services to PCBA include: participation in a PCBA committee, provision of articles for PCBA's *The Writ* newsletter, or assistance with a PCBA activity, such as seeking sponsorships, marketing, or event promotion.

A participating individual may only qualify for the "Pay It Forward" Membership for ONE YEAR ONLY. Applications are reviewed by the PCBA Membership Committee, and all applications are kept confidential. The recipient's service commitment is discussed and determined between the recipient and the PCBA Executive Director.

The "Pay It Forward" program application is available on the PCBA website at www.pimacountybar.org. Applications for 2012 are being accepted IMMEDIATELY, and will continue to be accepted until the twenty (20) program recipient openings have been filled for that calendar year. After that time, interested individuals must wait until the next year's official open period and submit a new application. Any questions about the program can be made to the PCBA Office at (520) 623-8258.

Applicants will be contacted following the Membership Committee's review of their applications.
