

"Vote for the Best" Contest

Call for Nominees

Back By Popular Demand! The Writ Committee is organizing the **Second Annual "Vote for the Best" Contest**, and needs YOUR help! We are first seeking nominees for the categories below. Nominees can include attorneys, judges, professors, legal assistants... (basically the different PCBA membership categories). They are single categories, with NO additional breakdowns (e.g., by gender). Once a list of nominees is developed for each category, we will ask you to vote for the final winning candidates, who will be announced in this year's May issue of *The Writ*.

Please help us create a list of nominees! **To nominate someone, send an email to Susan Trentham, Executive Director, at trentham@pimacountybar.org by 5PM ON THURSDAY, FEBRUARY 9, 2012.** In the email, please clearly indicate the name of your nominee(s) and for which category (or categories) they are being nominated. Including additional comments or explanations for your choice(s) in your email is optional. You may even self-nominate! Persons who submit nominees will remain anonymous. *The Writ* Committee will review the submitted nominees and a list of final category nominees will be presented in *The Writ's* March 2012 issue, with further information on selecting category winners at that time. If you have any questions, please contact the PCBA Office at (520) 623-8258. Thanks!
