The Patient Protection and Affordable Care Act (PPACA), otherwise known as ObamaCare, as it stands now, will have a SIGNIFICANT IMPACT on all Americans. Not only will each American be required to purchase health insurance, but insurance premiums, taxes, and employer compliance issues will increase substantially as a result of this legislation. ObamaCare comes into full force in 2014 and this presentation delivers an outline of how ObamaCare will work and the impacts that will be felt by everyone in 2014 and beyond.

Topics to be discussed include:
- Changes to Taxation as it relates to this new legislation
- Review the major components of the new Law
- Timeline of the implementation of the Law
- The NEW requirements that an employer plan must meet
- The Individual/Employer Mandates & Penalties
- How state healthcare exchanges will work
- How ObamaCare will change the delivery of health care and the costs of coverage
