Program Description:

PCBA and Associated Students of the University of Arizona (ASUA) Student Legal Services are collaborating to develop a special program to provide legal assistance to UA students, when students need additional legal help beyond the scope of ASUA Student Legal Services. We are seeking attorneys who would like to participate and assist students in the program at discounted rates. The areas of law we are especially seeking help with are: LANDLORD/TENANT, FAMILY LAW, CRIMINAL (DUI/NON-DUI), WILLS & ESTATE PLANNING, PERSONAL INJURY, INTELLECTUAL PROPERTY, BANKRUPTCY, AND IMMIGRATION. Other areas of practice are welcome.

This FREE,* 1-hour seminar will serve as the REQUIRED TRAINING to become one of the participating attorneys in PCBA’s new, collaborative, legal assistance program available to UA students. The seminar will illustrate the effect of issues that often culminate in, or stem from a students’ legal problems or concerns and provide attorneys with the necessary tools to be aware of the types of issues common amongst college students and how to best provide them legal assistance. Participants will learn and become cognizant of the diversity of the college student population, the wide variety of legal issues facing UA students and the impact these issues have on their academic development.

* FREE to PCBA attorney members, who are interested in helping with and signing up for the new program. See bottom of this page for other costs.
