Program Description:

This seminar will detail the use of email evidence including how to trace an email back to the actual person that sent it. Everyone has received an email where the from address is their friend, family, or even themselves, but clearly the email is spam and sent by some third party. This seminar will focus on how to confirm who really sent an email and how someone might go about disguising their email address to hide their identity.

Please clip the registration form below and mail with payment to: PCBA 177 N. Church Ave., #101 Tucson, AZ 85701
Or fax registration forms with credit card payments to 520-623-9772.*
*It is recommended that all faxed registrations be confirmed by phone at 623-8258.
